65: Lambert Bar (DSL)

GPS 45° 09.696 N, 123° 01.821 W

This small OPRD park is at the confluence of Lambert Slough and the Willamette, at the end of the 10-mile slough's course back to the main river. It is ideal for a lunch stop, but there is little good area in which to camp. (no amenities)
