

W-6: pg 40

Bald Eagles can be seen all along the Willamette, in some locations year-round. Keep an eye out for the occasional nest high in the cottonwoods, usually where the trunk splits into a Y-shape.

Caution, shallow water!

Watch for snags!

173.0: Beacon Landing

(OPRD)
N 44° 14455, W. 123° 12697

This large OPRD parcel offers an opportunity to camp or just stop to enjoy the river. You can pull your craft over at multiple places along the gravel shore. Keep an eye out for bald eagles.
